

31- Anti-Doping Statistics for the International Pencak Silat Federation (IPSF)

<https://drive.google.com/drive/folders/1jKn5HGplaVG9icKudXXDk5dfLyCo6WG?usp=sharing>

The following statistics provide an overview of anti-doping activities conducted by the International Pencak Silat Federation (IPSF) over the recent competitive seasons. These statistics aim to highlight the frequency of doping control measures, the number of tests conducted, results, and overall compliance with anti-doping regulations.

1. Doping Control Overview

- **Total Events Tested:** [Insert number]
- **Total Doping Control Tests Conducted:** [Insert number]
 - **In-Competition Tests:** [Insert number]
 - **Out-of-Competition Tests:** [Insert number]

2. Summary of Test Results

- **Total Positive Cases:** [Insert number]
- **Total Negative Cases:** [Insert number]
- **Positive Case Breakdown:**
 - **Anabolic Agents:** [Insert number]
 - **Stimulants:** [Insert number]
 - **Hormones:** [Insert number]
 - **Other Prohibited Substances:** [Insert number]

3. Therapeutic Use Exemptions (TUE)

- **Total TUE Applications Received:** [Insert number]
- **Total TUEs Granted:** [Insert number]
- **TUE Denials:** [Insert number]

4. Sanctions Imposed

- **Total Sanctions Issued for Doping Violations:** [Insert number]
 - **Temporary Suspensions:** [Insert number]
 - **Lifetime Bans:** [Insert number]
 - **Financial Penalties:** [Insert number]

5. Education and Outreach

- **Number of Anti-Doping Workshops Conducted:** [Insert number]
- **Athletes Reached through Awareness Programs:** [Insert number]

- **Materials Distributed (brochures, pamphlets, etc.):** [Insert number]

6. Compliance and Co-operation

- **Number of Athletes Registered in Program:** [Insert number]
- **Rate of Compliance with Anti-Doping Regulations:** [Insert percentage]%
- **Co-operation with National Anti-Doping Organizations:** Yes/No (Provide details if necessary)

7. Conclusion

The International Pencak Silat Federation remains dedicated to maintaining the integrity of the sport by implementing robust anti-doping measures and promoting a culture of clean competition. Continued efforts in testing, education, and collaboration with anti-doping bodies are crucial in combating doping in Pencak Silat.

Note: Please fill in the statistics with actual data from IPSF records to provide a comprehensive overview. If additional context or specific data is required, more detailed reports can be generated as needed.
